Rev. & Dear Sir,

In the letter which you brought from Nathan Winslow, Portland he says enclosed I send thee one hundred dollars for which I shall try to remunerate myself from receipts for the Liberator - also \$375 for the Oasis' My object in writing now is to inquire whether you saw any more than the \$100. I suppose you opened the letter or that Mr. Garrison opened it in your presence.

Accompanying this is a list of some names to whom I sent the Maryland Scheme soon after it was published. I meant to have given it to you long ago. I hope you will be able to tell me soon whether I shall send the remainder to N. York.

Please inform me immediately about the letter above mentioned.

I remain yours in the best of causes

P.S. I have just rec^d. your note which accounts
satisfactorily for the \$3.75. I had no intention of
writing Mr. Winslow until I had heard from
you at least.
